### **Hello Everyone**

Hope you have all had a nice off-season, to me it almost felt like curling season all summer this year... There have been several projects completed this summer. These included painting of the ice arena area, painting of the back room, replacement of the boards between the sheets and repairing the back walkway. Thanks to all the volunteers for helping out to get these things done. We are getting ready to turn the plant on and start the ice making process soon.

### **Newsletters**

This will be the last newsletter that will be mailed to all members in a bulk mailing. All newsletters are posted on our website at [www.lakescurling.com](http://www.lakescurling.com). If you would like the newsletter sent to you by email, send me an email at [brian.shepard5@gmail.com](mailto:brian.shepard5@gmail.com) to request this so we can start a database of email listings. If you would like to continue to have the newsletter mailed to you, contact any of the board members to request this.

### **Club Bonspiels**

We are excited to announce that we are adding an additional bonspiel to the schedule this season as well as having the annual Vern Turner Memorial.
